

# Cover Letter

Dear Hiring Manager,

I am a passionate Software Engineering graduate and React.js and Next.js developer with hands-on experience in building responsive, high-performance web applications. Through projects such as a full-stack rental property platform, user directory app, and task management tool, I have developed strong skills in React, Redux Toolkit, Tailwind CSS, and API integrations.

I thrive on writing clean, maintainable code and transforming ideas into smooth, user-friendly experiences. With a strong foundation in modern web technologies and a commitment to continuous learning, I am eager to contribute to dynamic teams and create impactful digital solutions.

Thank you for considering my profile. I look forward to the opportunity to showcase my skills and grow as a developer.

Best regards,

**Rian Riasat**
